SM SAAD

VIDEO EDITOR

I am a passionate Video Editor and VFX Compositing Artist with a background in Computer Science Engineering and professional training from Arena Animation, Indira Nagar. Skilled in Adobe Premiere Pro, After Effects, Photoshop, Illustrator, CapCut, and Canva, I specialize in crafting engaging visual stories and creative content. I am eager to start my career in video editing, bring fresh ideas, and grow with a dynamic media or production team

projects

- YouTube Videos – Edited vlogs and content-based videos with engaging pacing, subtitles, and smooth transitions.
- Social Media Reels – Created short-form video content optimized for Instagram and YouTube Shorts, focusing on trends and audience engagement.
- VFX-Based Clips – Practiced compositing, keying, and motion graphics in After Effects to enhance raw footage.
- Event Video Editing – Edited college cultural events and presentations with highlight reels and dynamic transitions.
- Logo Intros & Outros – Produced animated intro and outro edits for personal and practice YouTube projects
- Edited short films and YouTube videos (link if available)
- Designed social media reels and promotional posters
- Created VFX-based short clips using After Effects
